

Changes the window bench to a garden!

Installation aid and short guide
to use masu on different window benches

Masu - installation requirements

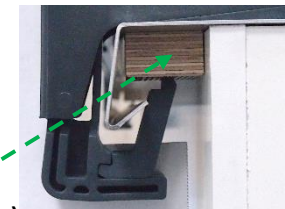

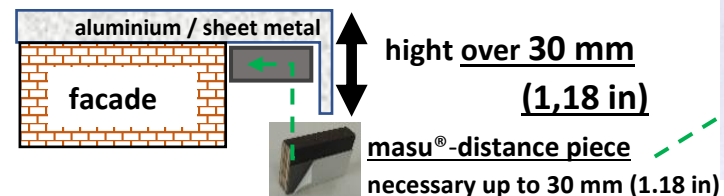

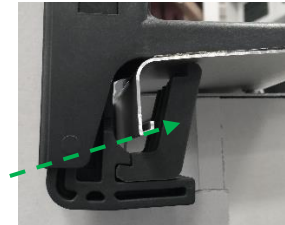

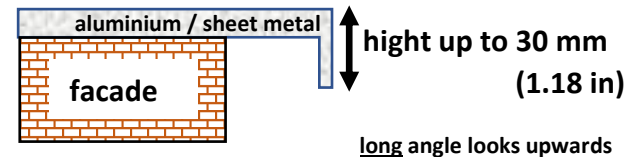

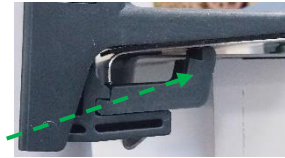

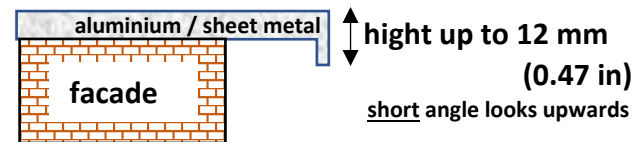

(window bench: min. width: 78 cm / 70.1 in)

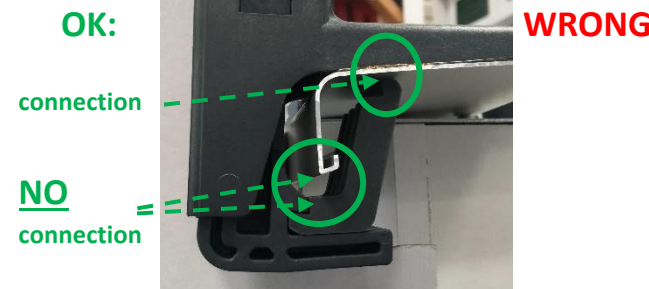

masu[®] on aluminium or sheet metal

Use angle-adapter!

(click it centered in the clamping part)

Remove protection foil from masu[®]-distance piece and stick it at the bottom side of the window bench. Look also in our webshop www.greencreations.com „masu-Abstandhalter“ (masu-distance-piece)

masu[®] on stone/marble/plastics / ...

No angle adapter necessary by rectangular profile of the window bench.

Use angle adapter only in case of a drop-nose.
